ARTICLE-NO. 040062

High-performance cold cleaner and degreaser

APPLICATION

Ready-to-use, mildly scented solvent cleaner for intensive degreasing and cleaning in the aviation industry. Can be used in ultrasonic baths (at room temperature), hydrosonic-assisted immersion baths, small parts cleaners, as well as immersion, spray, and wiping methods. Once no visible film remains on the surface, the product has dried, and subsequent steps can be conducted.

PRODUCT FEATURES

- cleans painted and unpainted surfaces
- proven effective in the metal and plastic industry
- removes residues of oils, greases, resins, waxes, preservatives, and similar
- evaporates completely without leaving any residue and does not attack the surface of the materials
- free from chlorinated hydrocarbons and aromatics
- complies with international aviation approvals: US Federal SPEC: P-D-680, Type II; Rolls Royce CSS 266 and 267; BAC 5750; Boeing D6-17487; AMS 1526B

TECHNICAL SPECIFICATION

Appearance	Clear, colorless liquid
Density at 20 °C	approx. 0.77 g/ml
Flash point	> 65 °C
Solubility	Not water-soluble

Before application, test material compatibility at an inconspicuous area. Follow the cleaning and care instructions provided by the manufacturer. We cannot be held liable for improper use and resulting damages.

STORAGE

Storage temperature: 5-30 °C

Shelf Life: 12 months
