

rhobaAIR® DRY WASH MILITARY

(RHOBA ALTIA A102)

ARTICEL- NO. 150009

Special cleaner for exterior cleaning of aircraft – without water

APPLICATION

Shake or stir well before use. Apply the ready-to-use special cleaner using a cleaning pad (rhoba DRY PAD/RHOBA ALTIA Z101) or a clean cloth. Depending on the level of dirtiness, the product can be removed immediately or after a few minutes using a clean cloth or mop (rhoba DRY MOP/RHOBA ALTIA Z102).

PRODUCT FEATURES

- waterless application
- suitable for all painted and unpainted surfaces made of metal, plastic, glass, and acrylic, including chrome surfaces and aluminium
- specifically designed for military coatings: does not contain ingredients that increase the gloss level of the paint
- provides long-term protection against re-soiling
- seals the surface and prevents deep penetration of dirt
- internationally approved for aviation use:
Boeing D 6 - 17487 Revision P
AMS 1530 C
BA Airbus AIMS 09-00-002
