

## rhobaAIR AEROWASH 4000

(RHOBA ALTIA A202)

ARTICLE-NO. 150022

Multifunctional special cleaning concentrate

### APPLICATION

**rhobaAIR AEROWASH 4000** is used for exterior and interior cleaning of airplanes and helicopters and generally for cleaning all water-resistant surfaces. Dilute the product with water depending on the application and the degree of soiling of the surface to be cleaned.

After cleaning, rinse the treated surfaces with water.

Application	Concentration	Temperature	Contact time
Manual (e.g. spraying, wiping)	5 - 15 Vol.%	RT	as required
Foam application	3 - 15 Vol.%	RT	as required
Interior cleaning	5 - 10 Vol.%	RT	as required
Immersion process	8 - 50 Vol.%	45 - 75 °C	10 - 30 min.

### PRODUCT FEATURES

- multifunctional in application
- suitable for aluminum, glass, acrylic glass and painted surfaces
- not suitable for textile coverings
- easy to use
- dissolves heavy contamination such as oils, greases, brake dusts and environmental dirt
- internationally approved for aviation use:  
Mc Donnell Douglas CSD # 1;  
Boeing D6-17487 Revision P;  
AMS 1526B

### TECHNICAL SPECIFICATIONS

Appearance	Colorless, clear liquid
pH-value	approx. 11
Density at 20 °C	approx. 1,03 g/ml

Before application, test material compatibility at an inconspicuous area. Follow the cleaning and care instructions provided by the manufacturer. We cannot be held liable for improper use and resulting damages.

### STORAGE

Storage temperature: 5 - 30 °C

Shelf Life: 12 Months
