

rhobaAIR AIII DRY WASH

(RHObA ALTIA A101)

ARTICLE NO. 152005

Special cleaner for exterior cleaning of aircraft – without water

APPLICATION

Before use, shake or stir the product well. Applied in a thin layer over the area to be treated using a pad (rhoba DRY PAD/RHObA ALTIA Z101). The pad is dipped into the product and then lightly squeezed. Once the product has dried, it is removed using a mop (rhoba DRY MOP/RHObA ALTIA Z102). Alternatively, the product can be applied and removed using a clean cloth. Can be applied to both dry and wet surfaces.

PRODUCT FEATURES

- waterless application, combining cleaning, polishing, and protection in one step
- suitable for all painted and unpainted surfaces made of metal, plastic, glass, and acrylic, including chrome surfaces and aluminium
- seals the surface and provides longer-lasting dirt resistance
- leaves a clean, smoother, high-gloss finish
- odorless
- internationally approved for aviation use:
BA Airbus AIMS 09-00-002
AMS 1650B
BSS7432
Lufthansa approval (Complies with LH Technik AG "Grey List")

TECHNICAL SPECIFICATIONS

Appearance	Light brown, viscous liquid
Odor	neutral
Density at 20 °C	ca. 0.94 g/ml
pH-value	6 - 9

Before application, test material compatibility at an inconspicuous area. Follow the cleaning and care instructions provided by the manufacturer. We cannot be held liable for improper use and resulting damages.

STORAGE

Storage temperature: 5 - 30 °C
Shelf Life: 12 Months
