

rhobaAIR GALLEY CLEANER

(RHOBA ALTIA I201)

ARTICLE-NO. 152010

Thixotropic cleaning concentrate

APPLICATION

Depending on the application and the degree of soiling, the product is diluted with water and either sprayed onto the surface to be cleaned or applied with a clean cloth. After a short exposure time, rinse the surface with water or wipe over smaller areas. After cleaning, wipe the surface dry with a dry clean cloth. Repeat the cleaning process for heavy soiling.

Application	Concentration
galley	15 - 50 Vol.%
local cleaning	100 %

PRODUCT FEATURES

- high yielding concentrate
- used especially for the removal of lime deposits or other stains in aircraft kitchens
- thixotropic behavior enables drip-free work on vertical surfaces
- Halal conform

TECHNICAL SPECIFICATIONS

Appearance	light blue liquid
Density at 20 °C	approx. 1,06 g/ml
pH-value at 20 °C	< 1

Before application, test material compatibility at an inconspicuous area. Follow the cleaning and care instructions provided by the manufacturer. We cannot be held liable for improper use and resulting damages.

STORAGE

Storage temperature: 5-30 °C
Shelf life: 12 months
